

# ParentNet® Starter Kit

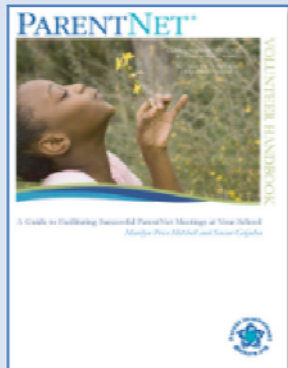

---

The ParentNet Starter Kit is the essential reference tool for schools and trainers using ParentNet or for those considering its use or adaptation. The 3-ring binder contains the following resources:

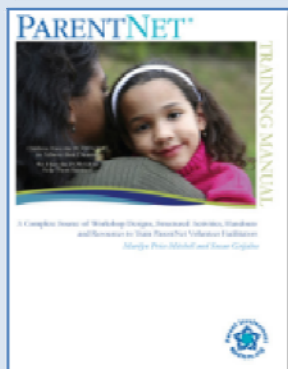

## *ParentNet at Your School: An Introductory Guide for Parent Leaders, Educators and Trainers*

- Includes an introduction to ParentNet’s methodology, how to get started and evaluate financial costs, leadership roles, program management, etc. A 15-page preview of this booklet is provided as a way of introducing you to ParentNet and its goals. (32 pages) [Click here to preview Introductory Guide.](#)

## *ParentNet Volunteer Handbook: A Guide to Facilitating Successful ParentNet Meetings at Your School*

- Includes all resources needed by parent volunteer facilitators, including program background, philosophy, roles, parent contract, planning tools, meeting guides, facilitation, publicity, etc. (34 pages)
- Additional handbooks can be purchased from our online store in low-cost packages. Each parent volunteer facilitator should have a copy of the Handbook as it is used extensively in “ParentNet Facilitator Training” and in preparing for ParentNet Meetings.

## *ParentNet Training Manual: A Complete Source of Workshop Designs, Structured Activities, Handouts and Resources to Train ParentNet Volunteer Facilitators*

- Includes a detailed 5-hour training design as well as additional structured activities to educate parent volunteers in the art of facilitation. These materials are used by professional trainers in leading “ParentNet Facilitator Training.”
- 51-pages of resources and handouts - easy to duplicate when you need them!

## Additional Program Resources shipped with Starter Kit:

- ParentNet DVD - containing three videos used to educate and train parents and school staff.
- Sample ParentNet Brochure - used to educate all parents in school community.
- Sample “Ask Me” and “Together We Can Make A Difference” Stickers - Used to help market ParentNet at special school events.
