

ParentNet® Stickers

These 3" round stickers are used by schools in a variety of ways.

The **"Ask Me"** sticker is used by ParentNet Leaders and Facilitators at school events. Worn next to a name tag, it is a great conversation opener to tell other parents about the program.

The **"Together We Make a Difference"** sticker is used for a multitude of marketing purposes. Attach it to a post card meeting reminder; place it on a card to thank volunteers at the end of the year, or whatever other ways you choose.
